Location: Health Share of Oregon, 2121 SW Broadway #200, Portland, OR 97201

7:30-8:00 AM Registration and Breakfast Served.

Welcome: Oregon Pediatric Improvement Partnership (OPIP) Introductions, Agenda Review

Setting the Context: Primary care providers role in addressing social-emotional health issues in young children:

- Clinical recommendations and why improvements are needed
- Alignment with a Coordinated Care Organization Incentive Metric

Overview of Social-Emotional Health in Young Children & Strategies to Identify Children with Follow-Up Needs

Actionable Tips & Tools: Review of strategies primary care providers may use to implement Bright Futures/EPSTD-recommended approaches for identifying children with social-emotional health needs.

Spotlight on Primary Care: Presentation by primary care providers implementing strategies to identify children with social-emotional health needs.

Primary Care Provider Strategies to Address Common Social-Emotional Health Issues in Young Children: Giving Anticipatory Guidance, Education, and Supports to Parents

Actionable Tips & Tools: Review of strategies that primary care providers may use to provide supports to parents of young children identified with social-emotional health needs.

- Specific tools and talking points to address some of the most common social-emotional health issues.
- Topics may include how to address the following: **disruptive behavior, early childhood anxiety, sleep issues, and toilet training.**

Spotlight on Primary Care: Presentation by primary care providers implementing parent education and coaching strategies.

Behavioral Health Support Pathways for Young Children Needing Issue-Focused Interventions

Actionable Tips & Tools: Review of strategies to identify best-match behavioral health supports, summary of Specialty Behavioral Health services within Health Share of Oregon network.

Spotlight on Primary Care: Presentation by Primary Care teams implementing strategies to connect families to behavioral health supports and issue-focused interventions.

Wrap Out and Completion of Evaluation Survey, **Provision of Lunch**

Faculty for the Meeting: Colleen Reuland, OPIP Director, Lydia Chiang, MD, OPIP Medical Director, and Andrew Riley, PhD and presentations from primary care providers in the Portland Metropolitan Region on strategies they are using to enhance issue-focused social-emotional services for young children and tips for others!

This activity is designated for a maximum of 4.0 AMA PRA Category 1 Credit™.

*This Learning Session is financially supported by **Health Share of Oregon** in collaboration with the health plan partners of Health Share of Oregon that contract with primary care sites.*
